There are a lot of sports like football, basketball, soccer... etc. But with CAT's All Time News we are going to talk about all. Continue page 2.

Diversity week in H.S.

International CAT

by: Jimena & Samantha

In spring break the whole school had a 2 week vacation, and some high school students went to Europe and others went China! On April 16, 2018 the high school students started spirit week. In case you don't know what you do in spirit week, or A.K.A. Diversity week, you: Wear different color each day, representing different things for example: Continue page 3

Games For Children's day

National Children's Day

by: Faruk & Santiago

Children's Day is in the 30th of this month, but the CAT elementary students celebrate it in the 27th. Children's Day is a day celebrating the kids in the world and the kids have a lot of fun in this day.

In Children's day here in CAT we do a lot of fun activities like dodgeball, hockey, 4 cones and soccer. Then we eat delicious gorditas brought by some moms of the kids in the classroom and there are two choices, picadillo or frijoles. After that, 4th, 5th and 6th go to the Center of Visual and Performing Arts and the students watch the Talent Show where the students can show their talents. Then the students go to the classroom and watch movies, eat chips and play games.

After all of that, it's time to go to home and chill out since it's Children's Day you don't get homework so you got all afternoon free.

State Science Fair

by: Ambar & Marisofi

On February 20th of 2018 the 5th graders had the science fair. There were so many interesting projects but just 3 projects could win. Weeks later Miss Gabby announced the winners from the science fair and the girls who won 1st place were Michelle Solis, Luciana Pimentel and Isabella Valdez, then the ones who won 2nd place were Marisofi Humphrey and Ma. Jimena Pallas and on third place was a tie between Rogelio Barrios and his group and Marifer Muñoz and Camila Magaña. The awards for 1st place was a Jenga and a yogurt coupon for a YOG for second place a thermos and also a yogurt coupon for a YOG and for 1st but not least third place was a backpack tag and again a yogurt coupon for a YOG.

Sports Asomex

by: Poncho & Jorge

There are a lot of sports like football, basketball, soccer... etc. But with CAT's All Time News we are going to talk about all.

Soccer

In march the soccer team went to Monterrey, category 2007-2006. Unlucky there were only friendly matches but still we didn't lose a single match. The soccer games were in the morning and in the afternoon all the soccer teams were separated, three players from a team went with 3 players of every other team and they were forming groups and in that groups we played different soccer games.

Swimming

There was a big event at CAT were hundreds of people participated from all years and all categories. Lucky Cat on overall got 2nd place, the event lasted all day long so the swimmers at the end were laying down so they can rest.

Basketball

There was a basketball tournament on CAT were almost all Torreón basketball teams assisted it was a rough tournament but CAT won 1st place.

Talent Show at the CVPA

Entertainment Talent Show

by: José Alberto & José Manuel

A talent show is an event where participants perform talents. The talent show at CAT is April 27 2018! It's a show where kids can show their talent. All students can enter if they want to participate, we do it because its children day. It is very fun because everyone can perform and show their talents, there will be 1 presentation for kids and another one for parents. You can do gymnastics, acting, singing, or play a musical instrument (violin, trombone, piano, flute, Clarinet, saxophone etc.) and for students is better because they lose class time. Tips: practice in front of friends, family etc., think of a great idea to perform.

Economics Changing prices in the CAT cafeteria

by: Abigail & Valentina

Have you noticed that every 2 years the food in the cafeteria costs \$1 more, for example in 2012 the gorditas cost \$8 in 2015 the gorditas cost \$9 in 2017 the gorditas cost \$10 and now the gorditas cost \$11. Can you see the difference in the prices?

We think that \$11 is too much for only 1 gordita but some other prices are ok. Now we will show you some interviews. We interview 3 teachers with the questions of, "do you think the prices are fair in the cafeteria?" and "do you think the food is worth it?" The answers where to both questions where yes for the 2 questions. Then we interview 2 kids with the same questions, both of them said the same answers, to the first question they said no and to the second so-so.

Now we will show you a table of the prizes in the CAT cafeteria.

| Food, Drinks, and Snacks | \$ |
|--------------------------|------|
| 1 GORDITA | \$11 |
| ½ ORDER OF CHILAQUILES | \$28 |
| 1 ORDER OF CHILAQUILES | \$45 |
| MINI CIEL | \$8 |
| SMALL WATER | \$8 |
| BIG WATER | \$11 |
| NUTRY COOKIE | \$15 |
| BARRITAS | \$12 |

Diversity week in H.S.

International CAT
by: Jimena & Samantha

In spring break the whole school had a 2 week vacation, and some high school students went to Europe and others went China!

On April 16, 2018 the high school students started spirit week. In case you don't know what you do in spirit week, or A.K.A. Diversity week, you: Wear different color each day, representing different things for example:

- On Monday you wear: blue: representing visual disabilities.
- On Tuesday you wear: green: mental health.
- On Wednesday: purple: domestic violence.
- On Thursday: orange: hunger and poverty.
- On Friday: white: human rights and peace.

On April 16 to April 27, there will be 3 school teachers Miss. Martha, Miss. Gaby, Miss. Selene, collecting items for a grandparents house that don't have much money and need help, they need:

- Adult diapers
- Shampoo
- Deodorant
- Corporal cream
- Etc.
